

The background of the image is a grayscale photograph of a complex industrial facility, likely a refinery or chemical plant. It features a dense network of pipes, metal walkways, and large cylindrical storage tanks. A prominent vertical stack or distillation column is visible on the right side. A semi-transparent red rectangular overlay covers the central portion of the image, serving as a background for the text.

## CONSTRUCTION OF 250 HOUSING UNITS

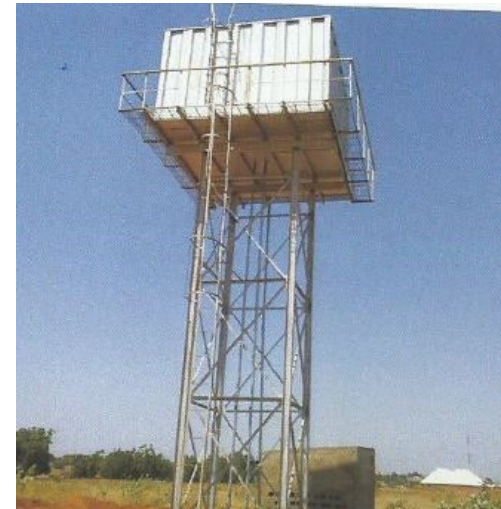

In 2011, FAM Property development & Investment Ltd constructed 250 2-bed and 3-bed housing units in Sokoto, Nigeria. This included the estate planning and construction.

This was a ground breaking initiative by the government in an effort to meet the housing needs for not only the Airforce personnel (retired and in-service) but also for ordinary civilians, meeting pre-defined selection criteria.

## INSTALLATION OF BOREHOLES AND TANKS

FAM Property Development & Investment Ltd constructed and installed over 10 boreholes and 200 water tanks for the communities in Sokoto in an effort to ensure easy access to water.

## JET FUEL DEPOT IN KADUNA, NIGERIA

MOMAR successfully rehabilitated and upgraded the Bulk Fuel Installation located at the Nigerian Airforce Base (NAF) in Kaduna, Nigeria to a modernized storage facility for Aviation Fuel (Jet A1) which was completed in 2015 and is currently managing the facility on behalf of the Nigerian Airforce.

The Bulk Fuel Installation consists of 8 Jet A1 tanks with a capacity of 58,000 Liters each (Total 464,000 Liters). The depot is connected to the tarmac allowing for easy access for bowsers to refuel Aircrafts.

## AVIATION TANK FARM UNDER CONSTRUCTION, NIGERIA

MOMAR has recently entered into a 15 year lease agreement to construct a state of the art Aviation Fuel Depot for storage, blending and selling of petroleum products.

This depot will be positioned to provide strategic fuel storage, third-party storage as well as supply the market. In the short term, the tank farm will be positioned as an Aviation (Jet A1) fuel depot, supplying primarily to a strategic client. Our long term goal will be to supply ATK, AGO, DPK and PMS to various markets as well as commercial airlines.
